# 1. THE STRATEGIC CAPACITY SCHEME (TOURIST ACCOMMODATION)

## 1.1 Introduction

The Department for Enterprise's Strategic Capacity Scheme (Tourist Accommodation) ("the Scheme") was established in March 2020 to provide grant assistance to support local businesses in the tourist accommodation sector that have been financially affected by the global COVID-19 pandemic.

The Scheme was established by the Department for Enterprise under the Financial Provisions and Currency Act 2011, and provisions in the Coronavirus Business Support Scheme 2020. The relevant legislation can be found at:

[https://legislation.gov.im/cms/images/LEGISLATION/PRINCIPAL/2011/2011-0021/FinancialProvisionsandCurrencyAct2011\\_2.pdf](https://legislation.gov.im/cms/images/LEGISLATION/PRINCIPAL/2011/2011-0021/FinancialProvisionsandCurrencyAct2011_2.pdf)

[https://legislation.gov.im/cms/images/LEGISLATION/SUBORDINATE/2020/2020-0156/CoronavirusBusinessSupportScheme2020\\_3.pdf](https://legislation.gov.im/cms/images/LEGISLATION/SUBORDINATE/2020/2020-0156/CoronavirusBusinessSupportScheme2020_3.pdf)

For the purpose of the Scheme the following definitions shall apply:

"Round 8 Funding" means funding provided under the Scheme for a three month period 1<sup>st</sup> October 2021 until 31<sup>st</sup> December 2021;

"Tourist Accommodation" means a business with income wholly or mainly from any of the premises specified in Schedule 4 to the Tourist Act 1975 and duly registered in accordance with that Act excluding permanent campsites without glamping accommodation, temporary campsites, and Homestay;

"Round 8 Turnover" means the total value of sales of goods and services (between 1<sup>st</sup> April 2019 and 31<sup>st</sup> March 2020 in comparison to 1<sup>st</sup> October 2020 and 30<sup>th</sup> September 2021) to customers of the tourist premises. (The turnover total should not include deposits or advance bookings where the sale of the good or service has not been concluded but must include any previous payments under the Salary Support Scheme if received in the reporting period\*, Strategic Capacity Scheme (Tourist Accommodation) Rounds 3, 4, 5, 6 and 7 and/or Coronavirus Business Support Scheme CBSS if received in the reporting period);

\*To calculate Salary Support Scheme figures applicants are to use £80 per employee per week as opposed to the full rate of weekly salary support received;

This turnover figure should relate to the core accommodation business only and must not include any turnover of other businesses operating from accommodation providers premises (such as separate businesses operating as restaurants etc.);

Any income received from the Isle of Man Government Support/Contribution Subsidy for returning residents /patient transfer- (£250 per person, per week payment), should not be included in the turnover figures;

"Fixed Costs" means business costs, such as rent, electric, rates - which are constant whatever the amount of goods or services produced;

## 1.2 Background

The Strategic Capacity Scheme was established in March 2020 to support Tourist Accommodation businesses through Round 1 (1<sup>st</sup> April until 30<sup>th</sup> June 2020) and Round 2 (1<sup>st</sup> July until 30<sup>th</sup> September 2020) funding periods with a focus on supporting "mothballing" and "local supply chain" costs.

The Scheme was further extended to cover Round 3 funding (1<sup>st</sup> October until 31<sup>st</sup> December 2020) and Round 4 funding (1<sup>st</sup> January until 31<sup>st</sup> March 2021) which aimed to provide support to eligible tourist accommodation businesses for fixed overheads over the winter months when trading may have been difficult. In light of the continued border restrictions, Round 5 was introduced for the period of 1<sup>st</sup> April - 30<sup>th</sup> June 2021, Round 6 covering the period 1<sup>st</sup> July - 31<sup>st</sup> July 2021 and Round 7 covering the period 1<sup>st</sup> August - 30<sup>th</sup> September 2021. Round 8 will cover the period 1<sup>st</sup> October 2021 - 30<sup>th</sup> December 2021.

## 1.3 Purpose

The purpose of the Scheme is to provide financial assistance to Tourist Accommodation businesses. This is to ensure the Island retains its strategic tourist accommodation capacity during the COVID-19 crisis. The Scheme is intended to assist a more rapid recovery as the situation improves.

By providing targeted financial assistance, the intent is that the strategic capacity of the Tourist Accommodation sector will be maintained during a period of little, or no, turnover. Round 8 funding is provided towards the fixed overhead costs of strategically important accommodation stock.

The aim of the assistance is to help sustain qualifying businesses to operate during and following the end of the difficult trading period. It is the intention of the Scheme to provide support to businesses, assisting them to uphold the reputation of the Isle of Man as a visitor destination and to maintain lasting positive relationships with visitors.

Please note, financial assistance is repayable to the Isle of Man Government if the business is either sold (this includes under offer or sold subject to contract status) on or between 1<sup>st</sup> April and 31<sup>st</sup> December 2021 or does not register with the Department for Enterprise to operate as tourist accommodation for the 2022-23 registration year by 28<sup>th</sup> February 2022.

A condition of receipt of funding remains that the tourist accommodation business must:

- Offer and allow any customer deposits, advance payments or bookings which had not been able to be honoured as a direct result of Covid restrictions and the emergency measures in respect of the Island's borders, to be rolled over to the equivalent periods in 2021, 2022, 2023 as a minimum. This condition only applies to customers for whom the accommodation provider has not reached an amicable settlement.
- If you are unable to roll over bookings and a refund is necessary and should you require financial support to provide this, you may wish to consider the Working Capital Loan Scheme:  
<https://covid19.gov.im/businesses/funding-support/coronavirus-business-working-capital-loan-agreement/>

## 1.4 Eligible Types of Accommodation

### a) Eligible Premises

The following types of Tourist Accommodation are eligible for financial support under Round 8 funding provided they were registered as visitor accommodation for 2021-22 with the Department before the 28<sup>th</sup> February 2021 in accordance with the Tourist Act 1975.

The accommodation types below are eligible for Round 8 funding regardless of their quality rating. This means those accommodations that are 'rating pending' or are in receipt of a 1,2,3,4,5 Star, accredited and highly accredited rating are all eligible for support under Round 8 funding:

- Hotels
- Guest Houses
- Guest Accommodation
- Bed and Breakfasts
- Serviced Apartments
- Inns
- Farmhouses
- Self-Catering properties
- Permanent Glamping Sites (Permanent Campsites offering Glamping Accommodation)
- Hostels.

### b) Ineligible Types of Accommodation

The following types of Tourist Accommodation are currently not eligible for financial support under this Scheme:

- Temporary and permanent camping sites

- Temporary Glamping sites (temporary campsites offering Glamping Accommodation)
- Homestay accommodation
- Premises on the Tourist Accommodation Register that are demonstrably operating as Houses of Multiple Occupancy (HMOs) - The Department reserves the right to inspect premises in this regard
- Properties that have not registered as visitor accommodation with the Department by 28<sup>th</sup> February 2021 are not eligible for Round 8 funding.
- Businesses, which cannot demonstrate a reduction in turnover of 25% or greater, are not eligible for support.

Permanent campsite businesses with no glamping facilities are ineligible under this Scheme but are encouraged to contact the Department's Business Enterprise Support team on 01624 687333 or email [enterprisesupport@gov.im](mailto:enterprisesupport@gov.im) and enquire regarding the Coronavirus Business Support Scheme.

## 1.5 Process When Applying For Funding

Applicants are required to submit an online application form to apply for support under Round 8, which covers 1<sup>st</sup> October to 30<sup>th</sup> December 2021.

### a) Round 8 Funding

Businesses eligible to apply for funding under Round 8 to cover October - December 2021 are to follow this process:

- Applicants must complete an application form to apply for Round 8 funding to cover the period of 1<sup>st</sup> October - 30<sup>th</sup> December 2021. Applicants should compare their turnover between 1<sup>st</sup> April 2019 and 31<sup>st</sup> March 2020 in comparison to 1<sup>st</sup> October 2020 to 30<sup>th</sup> September 2021 and calculate the percentage change in that turnover\*.
- Businesses will be paid in one lump sum or monthly instalments depending on the amount eligible for.
- Upon the Department's satisfaction that the conditions of the funding have been met, approval will be granted for the release of the payment under Round 8.

Important note - Applications for Round 8 will open on 1<sup>st</sup> October 2021 and close on 31<sup>st</sup> January 2022. Any issues with submitted applications must be resolved by 28<sup>th</sup> February 2022, failure to resolve issues by this date will result in the application being closed and no payment will be made.

\*The Department may, on exceptional cases, and at its discretion, consider 2018 as the base year for turnover calculations if 2019 does not provide a true representation of the underlying business performance and impact. Applicants are required to demonstrate that 2019 was abnormal and the funding level the business is eligible for is impacted as a result and should contact [accommodation.dfe@gov.im](mailto:accommodation.dfe@gov.im) in the first instance.

## 1.6 Rates of Funding

The level of financial assistance available will vary depending on the accommodation type and quality rating. The payment will be made on a per room, per day basis covering the number of days within the month, depending upon the level of funding due to the business.

### a) Frequency of Payments

- Businesses will be paid in one lump sum or monthly instalments depending on the amount eligible for.

The total number of days covered by Round 8 funding is 92 days for the period from 1<sup>st</sup> October to 30<sup>th</sup> December 2021 inclusive.

## b) Levels of Funding and Conditions

It is a condition of Round 8 funding that the applicant must declare (and provide evidence on request) to demonstrate:

- That the reduction in turnover is equal to or greater than 25% in order to access the full funding support rates in Table 1 (e.g. the business is 25% to 100% down in turnover for 1<sup>st</sup> April 2019 and 31<sup>st</sup> March 2020 in comparison to 1<sup>st</sup> October 2020 and 30<sup>th</sup> September 2021).
- Businesses, which cannot demonstrate a reduction in turnover of 25% or more, are not eligible for support.
- Newly registered accommodation businesses with no turnover figures available for 2019-2020 will qualify for the half-funding support rates shown in Table 2.

## c) Turnover Comparisons

To calculate whether the accommodation business is eligible to receive funding under Round 8, applicants must calculate the difference in turnover between Period A and Period B as shown in the table below to work out the percentage difference. This percentage figure will determine whether the business is eligible for the full funding support rates for the period.

## d) Round 8 Applications

Period A (Non Covid year)	Period A Turnover	Period B (The Covid year)	Period B Turnover	% change in turnover from Period A to Period B
1 <sup>st</sup> April 2019 to 31 <sup>st</sup> March 2020	£	1 <sup>st</sup> October 2020 to 30 <sup>th</sup> September 2021	£	%

To calculate the percentage change in turnover use the following formula

$$\frac{\text{Period B turnover} - \text{Period A turnover}}{\text{Period A turnover}} \times 100 = \text{percentage change in turnover}$$

For example a 4\* hotel with 25 rooms, has evidence to demonstrate that the hotel is 80 % down in turnover for Round 8 and therefore the support for 1<sup>st</sup> October to 31<sup>st</sup> December 2021 would be calculated as follows:

$$\text{Period B Turnover (£2, 000.00)} - \text{Period A Turnover (£10, 000.00)} = -£8, 000.00$$

$$£8, 000.00 / £10, 000 (\text{Period A Turnover}) \times 100 = -80 \%$$

The downturn in turnover for the period is 80% therefore the hotel will receive the full funding support rates in Table 1.

The full support day rate is calculated as follows:

October = 25 rooms x £13.00 day funding rate x 31 days = £10,075

November = 25 rooms x £13.00 day funding rate x 30 days = £9,750

December = 25 rooms x £13.00 day funding rate x 31 days = £10,075

The total amount of funding due to the hotel is £29,900 and the payment will be made in three monthly instalments.

As the hotel is due to receive more than £20,000 in the period they must provide evidence to support their stated turnover figures by way of business management accounts such as profit and loss accounts.

**e) Table 1 - Full Funding Support Rates**

Tourist Accommodation that is 25% - 100 % down on turnover will receive the following funding support rates.

	Accommodation Type	Quality Rating (per room or glamping unit, per day)			
		4* Plus	3*	2*	Rating Pending and Other
<b>Serviced</b>	Hotel	£ 13.00	£ 11.50	£ 7.50

		4* Plus	3*	2*	Rating Pending and Other
<b>Serviced</b>	Hotel	£ 6.50	£ 5.75	£ 3.75	
	Guest Accommodation	£ 5.75	£ 3.75		
	Guest House	£ 3.75	£ 3.00	£ 2.00	
	B&B	£ 3.75	£ 3.00	£ 2.00	£ 2.00
	Serviced Apartments, Inns and Farmhouses	£ 3.00	£ 3.00	£ 3.00	£ 3.00
<b>Non-Serviced</b>	Self-Catering	£ 3.75	£ 3.00	£ 2.00	£ 2.00
	Hostels	£ 3.00	£ 3.00	£ 3.00	£ 3.00
	Glamping	£ 2.00	£ 2.00		£ 2.00

Important note: The total number of rooms/units for each eligible business will be taken from the 2020-2021 accommodation registration form (and 2021-2022 registration form for new accommodation that registered for the first time for the 2021/22 registration year).

## 1.7 Financial Information and Supporting Documentation Required

All businesses must state a figure for their 1<sup>st</sup> April 2019 to 31<sup>st</sup> March 2020 turnover and state a figure for their 1<sup>st</sup> October 2020 to 30<sup>th</sup> September 2021 turnover and calculate any percentage downturn. \*

All businesses due to receive more than £20,000 in the period must provide evidence to support their stated turnover figures by way of business management accounts such as profit and loss accounts.
